

DON CHENAULT WINS IN STRAIGHT HEATS

Defeated Favorite Last Week
Makes Good in \$8,000 Stake
Event.

Lexington, October 13.—Don Chenault, the defeated favorite in the Kentucky Futurity last week, made good today in the championship steeplechase stake, an \$8,000 event, for three-year-olds. The chestnut colt was favorite, and won easily in straight heats. In the 2:06 pace our Colonel, favorite, lost the first heat to Zombro-Tuna. In the second heat, Chenault, who had been taken by his owner-driver, J. B. Jones, down and substituted Tom Murphy, who landed the steeplechase colt. Murphy was awarded \$100 for driving the horse, and Jones was fined \$200 for trying for the first heat. Lady Wanetka was favorite for the Lexington stake, for two-year-olds, and won handily. The Detroit filly, Lucile Spier, forced her to a record of 2:10 in the first heat but broke in the second and was shut out. Walter Cox won the 2:14 trot, with Red Lac, Jr., the second victory of the black stallion at the meeting. Summary:

Share of Receipts Received by Giants

New York, October 13.—The members of the New York National League club received their share of the world's receipts today, amounting to \$51,005.57. Divided among twenty-five players, each must receive a minimum of \$2,100, with the exception of Arthur Fletcher, who was handed \$100 less, the amount he asked for arguing with Umpire Connolly.

Mathewson and Merkle, who appeared at a statement satisfactory to the National Commission regarding the efforts of some of the men. They reported that each player-author who wrote of the series signed his name to a contract before the National Commission's edict of September 27, placing the ban on writing. The commission had threatened to fine any player who made a contract after that date.

To-morrow the National Commission will hand the Athletics, the winners, champions, \$51,000, their share of receipts, in Philadelphia.

TEAM AT VIRGINIA DELIGHTS GLOTH

Former Star Centre Assists in Coaching Linemen on Varsity Squad.

(Special to The Times-Dispatch.) Charlottesville, Va., October 13.—"The best team I ever saw at Virginia at this time of the year," was the comment made by "Billy" Gloth at the close of practice on Lambsfield Field this afternoon. The former star center for the Orange and Blue is here for the week to assist in coaching the line men. To-day he gave special attention to Brown and Coleman, the center men on the first and second teams. Creekmore, another candidate for center, rejoined the squad to-day. Coleman is a Kentuckian, and is showing up well. His brother was gone last year, and is performing creditably this season at full back.

The varsity engaged in a long signal drill to-day in order to get over the soreness from Saturday's game. Later the men were instructed in line charging and breaking through. The second and third teams had a scrimmage of about a half hour, in which only one touchdown was made. That was scored by Hall of the second team, a product of the Norfolk High School.

Knox Walker was moved up to the backfield on the second team to-day, while Leovy, the Californian, is fast learning the game as end on the third team.

Local Gridiron Notes
By "Prep."

The Prep School League opens its sixth season at Broad Street Park this afternoon. John Marshall High School against Benedictine College.

The Mississippians and Medicos will clash in one of the "big" games of the season to-morrow at Broad Street Park promptly at 3:30 o'clock. Both teams are in good shape for the game, and a battle royal may be expected.

With such men as Foster, Seymour, Hedgepeth, Parker, White, Walker and Schenck, seven stars out of eleven players, and the other four good ones, but not veterans, the Sawhorses should let Ole Miss know that she (Ole Miss) has been in a scrap worthy of mention.

If "Plug" Amos and "Nick" Parsons don't play the game of their lives to-day they will have to leave the "Two" Owens and L. Turner will be playing for High School, and they are three of the fastest men in the Prep School League.

The Richmond Light Infantry Blues are doing well this season—they have neither won nor lost a game so far. They fought two opposite teams to a no-score finish.

Word, Gray and Rose played some football for the Blues in the game against William and Mary. It's some line when a team keep a team from gaining one-half of a yard in four plays. That's the kind of line the Blues have.

The Richmond College and the Richmond Blues fought to a no-score finish in the first game of the season. The Richmond Blues and William and Mary College fought to a no-score finish. Going by the two games mentioned, what should be the score between the Richmond College and William and Mary College when they meet at Newport News on November 2?

McGuire's Academy boys are going through hard practice getting ready for their first game in the Prep School League.

The Richmond Academy has made a good start for the season, having won three games and lost one. The Academy is considered one of the fastest and headiest quarter backs in the city. He works his men to advantage and appears to know where the weak points of the opponents are, and sends the backfield men through for good gains.

The Chester High School has not been heard of since the victory they won over the John Marshall High School. What are they doing?

The Invincibles and the Tigers will meet at Ford Park Saturday afternoon. Both teams are confident of victory, and as each has gone this far in the season.

Mont Arranged for To-Night.
Los Angeles, October 13.—Boxing will resume to-morrow night at Vernon arena with Johnny Dundee, of New York, and Joe Zavello, of Sacramento, weighing as principals in a twenty-round bout.

Opposition on the part of the Church Federation and the anti-prostitution league may lead to steps being taken to prevent the bout, but no definite plans to mend have been announced.

World's Series Well Handled.
[Special to The Times-Dispatch.] New York, October 13.—At a brief meeting of the National Baseball Commission in the Waldorf to-night, President Ban Johnson forcefully defended the management of the New York Giants relative to the distribution of world's series tickets.

It was the best handled series that I have seen," he said, "and I am greatly surprised that James E. Garfield, a major league club owner, should have made any objection on the New York club. He was properly quoted he should be severely reprimanded."
